

The “Salmon of Doubt” Uncertain Future Spread*

*Posthumous thanks to Douglas Adams for the title from his unfinished novel

Derive Quintessence Card #1 from the sum of the values for Cards #1, #2, #4 and #6 in your usual manner.

Similarly derive Quint #2 from the sum of the values for Cards #1, #3, #5 and #7.

Derive Quint #3 from the sum of the values for Quint #1 and Quint #2. This shows the pivotal event or action leading up to the outcome.

Derive Quint #4 from the sum of the values for Quint #1 and Quint #3. This shows the overall likelihood of success.

Derive Quint #5 from the sum of the values for Quint #2 and Quint #3. This shows the overall likelihood of failure.

Read the top row from Card #1 to Quint #4 as the most beneficial path to success. Use reversals if desired.

Read the bottom row from Card #1 to Quint #5 as the least beneficial path to success. Use reversals if desired.
